

Kite Fight Event!

Some kites want to fly where the wind blows. These youngsters took a deep breath, counting 1,2,3, here we go headed toward the sky. By moving around and having fun, they changed the atmosphere with their activities on the run, it wasn't long before the wind blew, and the kites began to soar. Aim high in life.

Kite Flight" April 11,2025
3:30pm -5:30pm

Thank you to all the volunteers who helped with the recent Kite Fight Event!
